Northern Skies District
Michigan Annual Conference

Dear Friends in Christ,

It is with heavy hearts that we announce Erica Thomas, Director of Camp Michigamme has resigned her position to pursue other endeavors effective March 13th, 2020. She will be missed.

Leaving at this time has created many challenges for the Michigamme family. As a result, the Board of Trustees has begun the process of finding a replacement. This is a difficult time of the year to begin the search for a full time director. While this search is underway the Board is looking for an individual who feels capable of picking up this role for at least the summer. With the fast approaching camping season, preparation such as ordering supplies, working on registrations, getting out into communities, should already be well underway.

The responsibilities would include preparations, hiring, and the planning of the summer program; supervision of activities and personnel for the summer; and general supervision of the camp, itself. The applicant should have knowledge of camp program and the demands of running a camp of this size.

The commitment for this job would be from late April to the first of September of this year. Compensation would be commensurate with the responsibilities.

If you feel you have an interest in this job, please respond to Rev. Scott Harmon, District Superintendent of the Northern Skies District, 927 W. Fair Avenue, Marquette, Michigan 49855. You can call the District Office at 906-228-4644 for further information.
